

Download Grilled Pizza The Right Way

This easy Grilled Pizza is made from scratch with my easy yeast-free Greek yogurt dough, topped with sauce, mozzarella cheese and your choice of toppings. This grilled cheese recipe is a whole lot of pizza love in one bite. Layers and layers of cheese and pepperoni, seasonings and herbs. With all of that goodness packed in the middle, you'll need a bread that can hold it all in without falling apart; Artesano Bread is the perfect bread for this recipe. Grilling pizza couldn't be simpler: All you have to do is roll out dough (homemade or store-bought), drizzle it with olive oil and season with salt, and grill for 2 minutes, then flip and top with ...A better pizza crust... PERIOD. TOP SHELL LLC / The Pizza Gourmet We have taken our award winning pizza crusts and offered them to the public! Our dough is delicious, mostly because we only use four ingredients - water, salt, yeast, and unbleached / unbromated flour., Grilled Pizza The Right Way.
