An Unconventional History of Western Philosophy is an extraordinary resource. This landmark study of the development of Western thought is an exceptionally thoughtful, well-organized, informative, and above all important book, which accomplishes what needed to be done decades ago, namely, to document the significant role played by women thinkers throughout the history of Western philosophy. Highly recommended for everyone interested in a deeper understanding of why we think the way we do ...Buy An Unconventional History of Western Philosophy: Conversations Between Men And Women Philosophers by Karen J.
