Supporting the visually impaired learner ... if possible, in the same way to participate in and enjoy mainstream settings to the best of their abilities, whatever their needs. Leoni Masterson, qualified teacher of the visually impaired (QTVI) at Linden Lodge School, explains: "Blind and visually impaired students face barriers to learning. If we can break down these barriers through tactile ...Read "Children with Visual Impairment in Mainstream Settings" by Christine Arter available from Rakuten Kobo. Sign up today and get \$5 off your first purchase. First published in 1999. Routledge is an imprint of Taylor & Francis, an informa company. The following content refers to children with vision impairment and complex needs. If your child does not have complex or additional needs, a range of support options are available to meet the needs of your child in a mainstream school setting. The process to get these in place is covered in our, Children Visual Impairment Mainstream Settings.
