Comic Sans MS is a sans-serif casual script typeface designed by Vincent Connare and released in 1994 by Microsoft Corporation. It is a casual, non-connecting script inspired by comic book lettering, intended for use in informal documents and children's materials. This is obviously a joke (and the idea originated as one too), but it works and makes for an amusing look to OS X Yosemite. You can cheese out your own Mac or play a hilarious prank on someone, or on a more serious note, it may be a decent system font for a kids workstation.
