Slow cooker recipes are especially good just for their time saving - since you may be making dog food each week. This is another simple recipe that you can create in just 20 minutes, using a combination of beef and anti-oxidants. If you want to lean things up a bit just swap the beef for chicken or turkey. You can keep most slow cooker dog food meals in an airtight container in the fridge for 3-5 days, and for up to 8-10 weeks in a freezer. My two favorite slow cookers: A great crockpot chicken stew for dogs. Homemade healthy dog food in a crockpot is easier to make than you would guess! Homemade healthy dog food in a crockpot is easier to make than you would guess! Many dog owners don't like feeding their dogs commercial, store bought dog food. This could be because of the expense or simply because they don't know what the food contains., Crockpot Cooking For Dogs.
