Playing with Google Maps, I've created our route from Year 1 of cruising the Northwest Caribbean, from the Keys to Isla Mujeres, Mexico, down the Yucatan coastline to Belize, exploring Belize, then cruising up the Rio Dulce river to leave the boat for hurricane season. Each stop is clickable and has a photo, a description and a link to more ...Relaxing River Cruises in Melbourne. River cruises are a highly versatile activity that boasts mass appeal. From a romantic date with a loved one or social gatherings with friends and workplace Christmas parties, boat cruises are a great option when you're looking to do something just that little bit different. People with skills and knowledge to sell to individuals or companies can become consultants, a job with plenty of flexibility for free time. Consulting requires the ability to market and sell those skills, and it can take a while to build up a clientele., Cruising With A Disabled Loved One.
