Cambridge Core - Geochemistry and Environmental Chemistry - Diffusive Gradients in Thin-Films for Environmental Measurements - edited by William Davison Cambridge University Press 978-1-107-13076-0 — Diffusive Gradients in Thin-Films for Environmental Measurements Edited by William Davison Frontmatter Diffusive Gradients in Thin-Films for Environmental Measurements Skip to main content Search the history of over 373 billion web pages on the Internet. Abstract: Measurements at high spatial resolution by DGT (diffusive gradients in thin films) require a binding agent that is homogeneously distributed in the binding layer. Formation of ferrihydrite by in situ precipitation within a hydrogel has been previously ..., Diffusive Gradients Thin Films Environmental Measurements.
