

Download Engaged The Neuroscience Behind Creating Productive People In Successful Organizations

As a global team of Certified NeuroChangeSolutions (NCS) Consultants, we bring a wealth of experience to our clients. Our certified and licensed consultants have undergone a rigorous training and certification process to bring you this groundbreaking program based on the work of Dr. Joe Dispenza. The Conference Series llc LTD meeting "Translational Medicine 2014" has been a very great meeting providing a comprehensive view on ongoing international clinical developments and gave me the option to make a lot of novel contacts to start collaborative research with people from all over the world. Our most recent research explores the factors that can make a difference in creating good work. Our global survey of more than 1,200 business and human resources (HR) leaders in 10 industry sectors in 79 countries clearly shows just how important the human side of work is to people. The MacArthur Foundation Research Network on Law and Neuroscience, Engaged The Neuroscience Behind Creating Productive People In Successful Organizations.
