'The Shadow out of Time' by H. P. Lovecraft ... I. After twenty-two years of nightmare and terror, saved only by a desperate conviction of the mythical source of certain impressions, I am unwilling to vouch for the truth of that which I think I found in Western Australia on the night of July 17–18, 1935. Historical fiction deals with events that could really happen in life. The events in historical fiction take place during a historic period of time. Valleys are another type of feature that can be created by rivers and streams. River valleys are formed when fast moving water cuts across the sides of land, and v-shaped valleys form when rivers ...
