Structural Adjustment programs of the IMF and World Bank have led to a race to the bottom, where standards of living are continuously reduced. Labor, as one example of this, gets cheaper and cheaper which benefits the multinational companies, but not the workers themselves. Finding the Truth behind the American Hologram ... ML: Many mainstream scientists feel that to “work within” the system, they have to use language that politicians and economists can understand in order to maintain credibility, i.e. the “value of ecosystem services”. Addressing the Healthcare Crisis in Rural America. Using telehealth and forming partnerships will allow rural hospitals to deliver healthcare at a lower cost and improve their community's health.
