

# Download Good Luck Life The Essential Guide To Chinese American Celebrations

Put up red decorations. Red is the color or symbol of good luck in Chinese culture and is often used for new year decorations. The number "8" also symbolizes good luck and wealth, since the Chinese character for eight rhymes with fortune or wealth. Dear Twitpic Community - thank you for all the wonderful photos you have taken over the years. We have now placed Twitpic in an archived state. Japanese . 1st – 3rd January . New Year's Day celebrations in Japan are sometimes extended for up to three days, during which businesses are closed, families spend time together, decorations are put up and the first visit of the year is paid to local Shinto shrines.
