Related Posts. Analgesia and Anesthesia for the Ill or Injured Dog and Cat April 23, 2018 Handbook of Laboratory Animal Anesthesia and Pain Management: Rodents January 29, 2018 Proper housing and management of animal facilities are essential to animal well-being, to the quality of research data and teaching or testing programs in which animals are used, and to the health and safety of personnel. A good management program provides the environment, housing, and care that Since 1951, the Animal Welfare Institute has been dedicated to reducing animal suffering caused by people. We seek better treatment of animals everywhere—The question was raised how the environment of guinea pigs can be best enriched in the research laboratory setting. Guinea pigs have a strong need to hide. Their feeling of security depends on access to a covered refuge., Handbook Of Laboratory Animal Management And Welfare.
