

Download How To Get Sick And Stay Sick

wikiHow is a “wiki,” similar to Wikipedia, which means that many of our articles are co-written by multiple authors. To create this article, 743 people, some anonymous, worked to edit and improve it over time. Decide whether you should call in sick. It is possible that you are too sick for work and should stay home. By staying home you can prevent yourself from getting worse and help prevent the spread of illness. Sick leave (or paid sick days or sick pay) is time off from work that workers can use to stay home to address their health and safety needs without losing pay. Workers should use sick days when they are ill, not as an excuse to get a paid day off. Here are 5 good and 5 bad reasons to call in sick to work., How To Get Sick And Stay Sick.
