

Download Literacy, Narrative And Culture

Cultural literacy is a term coined by E. D. Hirsch, referring to the ability to understand and participate fluently in a given culture. Cultural literacy is an analogy to literacy proper (the ability to read and write letters). An analysis of two seminal works from African-American literature, both drawn from the authors' autobiographies, reveals that the processes of learning to read and write is conceptualized as the means of personal and social liberation. There are hundreds of versions of Cinderella all over the world- why not take one of the versions as a starting point for a new unit on Stories from other Cultures., Literacy, Narrative And Culture.
