

Download Lives Of The Great Gardeners

Throughout history great gardeners have risen from all walks of life. Some have been aristocratic amateur gardeners, others professional designers with an international practice. Some have come to garden-making from sister arts such as sculpture or painting; some have been hands-on nurserymen or botanists. What they all have in common, no matter where or when they were born, is the ability to take an idea and develop it in a new manner relevant to their times. History is full of gardens and of great garden designers – “plantsmen, lovers of intellectual ideas, of geometry or nature’s sinuous curves” – points out Stephen Anderton in his new book ‘Lives of the Great Gardeners’. Online shopping from a great selection at Books Store. Lives of the Great Gardeners By Stephen Anderton An eclectic and beautifully presented collection of essays about the lives and careers of mainly 20th-century garden designers, such as Beth Chatto ..., Lives Of The Great Gardeners.
