Use features like bookmarks, note taking and highlighting while reading War is served. Food and geo-economic warfare. That is instead of using guns to fight back in the "War on Terror", rogue states were deliberately increasing the prices of food and gas to cripple the US economy. It sounds a little ridiculous to me but the idea of fighting a war by attacking an economy isn't a new idea. ... we must ask the same questions about economic warfare as we ..., War Is Served. Food And Geo-economic Warfare.
