

Download Well Beyond The Grace Period

Having an FSA grace period is sort of like getting an extension on a final paper in college in that it gives you more time to use the funds from your prior plan year. Having your L1 visa status expire or getting your extension denied can be problematic. Learn all about the L1 grace period in this post. If you're planning on taking an important trip abroad for business or pleasure, one of the most important things to tackle BEFORE you head to the airport has to do with your United States passport.
